e. Reentry		
☐ Partner with Montana DOC on Re-Entry Planning.		
☐ Establish plan	☐ Establish partners	
8. Jail Standards		
a. Develop and Adopt Jail Standards		
Jail Standards should include, at a minimum, The Montana Association of Counties' (MACo) jail standards and operational best practices.		
Jail Standards should address, at a minimum, the 14 points recommended by the Citizens Advisory Council.		
Jail Standards are with County Attorney's Office for final review.		
Upon final review from county Attorney's Office, the Sheriff will present the Jail Standards to the County Commission for concurrence.		
 Periodic inspection and mandatory reporting and follow up on deficiencies in operations or conditions. 		
Quarterly Peer Review Inspections coordinated and conducted by Montana Sheriff's Association.		
Monthly County Administrative Jail Reviews conducted by County CAO, one Commissioner, and others.		
c. Public Safety Facility Staff Training P	Program.	
☐ Develop an on-going public safely facility staff training program based on the jail standards and operational best practices.		
□ Establish plan	☐ Establish partners	
9. Early Inervention and Prevention		
a. Early Risk Identification and Intervention		
Currently funding Early Childhood Intervention contract with United Way of Lewis and Clark Area.		
Ongoing		
b. Invest in Support for Journey Home, Our Place, CRT, and CIT		
Stability Funding budgeted for Journey Home and Our Place.		
Currently sending five (5) Officers per year to CIT Training.		
Currently funding Therapist and Case Manage	r through a pass-through grant from the State AMDD to	

Western Montana Health.

*** Criminal Justice Services Additional Areas of Focus

- a. Data: A firm, Justice Management Institute (JMI), has been selected to evaluate all of the data collection systems used throughout the criminal justice system in Lewis and Clark County, the type of data collected, and recommendations for moving forward. CJS staff is working with JMI to finalize the contract and present the final contract to the County Commission for authorization.
- b. Mental Health: Working with Public Health on the Man Therapy Campaign which will be included in the jails, 24/7 program, and Pretrial Services program targeting men aged 22 65 with a positive, normalizing approach to seeking mental health care.
- c. Researching Misdemeanor Probation programs.
- d. Researching Treatment Facilities
